I light a blue candle for Sherrie (color of a peaceful sky) for she has received her wings and flown home. I will always remember the many talks, the tears, phone calls, and the laughter we shared at Salem and the home visits. Adam and Britt stay strong and always remember the great love she had for you both and her babies (the dogs). I will continue to pray that GOD will shower you with love, blessings and peace.

“ Our memories of Sherrie are from her young years spent in Austin. We remember a beautiful baby....a sweet little girl...and a lovely young lady with a giving spirit and an infectious laugh. We are saying prayers and thanking God for Sherrie and the ways she touched other lives. We are also praying for God's grace to see you through this difficult time and for the pain to eventually be replaced by happy memories. God bless you all.

“ Very sad to hear of The passing of Sherrie. I worked with her at Salem Elementary and remember her smile and kindness to me and all of the staff and kids. It was so wonderful just being around her. Words fail me trying to express my sadness at such wonderful life ending far too soon. God rest her.

“ I was so very sorry to hear of Sherrie sudden passing I had the delightful opportunity to work with her st Salem Elementary . She was a thoughtful caring teacher, as we worked with the Students. Always helpful and attentive to duty and details as she performed her job. We who had the opportunity to work with her loved and appreciate her. I know that she leaves a void in your family, but I ask you to remember that the scripture has said " To be absent from the body is to be present with The Lord". I pray that your family is comforted by these words..

“ *Sherrie and I have been friends since Kindergarten - occasionally losing touch due to growth of family, jobs, moving around... but we always seemed to reconnect here and there and always picked up where we left off. I am so saddened by her loss. Brittany - know that I will be thinking of you and your family in the upcoming days that will be so hard - as you celebrate her life. Please take care!!!!*

“ *My heart goes out to her entire family, especially her husband, daughter and siblings. As I have heard over and over these last two day, she was, indeed, the sweetest person. She was often seen in the hallways of Whetstone gently coaxing some of our most challenging special needs kids to do the right thing. Her patience and loving attitude towards her students was inspiring.*

“ *Dear Brittany, Adam and extended family,
We worked together at Whetstone and I always appreciated her kindness and compassion. We often talked about how much our families were the joy of our lives. She was a real gift for the students and staff. She will be missed in so many ways. May you find comfort in knowing you have an angel in Heaven watching over you.

“ Dear Adam, Brittany, and her family and friends,

Thank goodness for facebook. Sherrie and I were able to reconnect after being neighbors long ago during the army. She was one of the kindest people I have ever met. I just found out on sunday by chance because of facebook postings on my thread she had died. Sadness and denial came over me. this cannot be true.....she was always full of life and always had health and fitness as part of her life. I do not know how this has happened, but I felt I needed to reach out to the family to let them know I pray for their family and I feel very honored and blessed to have called her my friend.

God Bless and comfort you all.....

*Love and prayers,

“ Sheri and I worked on the staff at Salem Elementary school for many many years. She was always so kind and comforting to the special needs students and so helpful to everybody else with that very warm smile. I had the opportunity to see her a few months ago and she indeed looked beautiful and healthy and happy. It is my prayer that the Lord will comfort And strengthen you during this very very trying time.

“ I was a friend and co worker that worked together. Sherri was the friendliest person and a caring teacher who loved her students. She was always so bubbly when I would see her at meetings for school. She was a great friend who will be sadly missed by all.

“ Sherrie was a co-worker and a friend I've known these past few years at Whetstone HS.. She was a sweet, kind, and caring person and it was a privilege to have known her.

“ Sherrie had a beautiful smile and spirit that she shared with the students each day. Our conversations were brief but meaningful in encouraging one another to get through a rough day. Sherrie truly loved her job and we all will miss her very much. Her light will shine down on us and we will know that the lord has her close to him. May God bring comfort to the family and friends who truly loved this amazing woman.

“ I am so very sorry for your loss of beautiful Sherrie. I met her through working together at the schools and we immediately hit it off. She had such a loving spirit and a generous personality, always wanting to make others smile and laugh. She was a kind and special friend. We shared so much both at school and out of school, as we were so much alike. We loved going "thrifting" and sharing our great finds! I had to move out of town in 2018, due to my father's health deteriorating, and I wish I could have spent more time with her. I am heartbroken over losing her.

We live in such a troubled world. No matter what the circumstances are when someone dies, it still hits us like a brick wall. God put eternity in our hearts (Ecclesiastes 3:11) so it is unnatural for us to face death. I lost my brother in 2001 and still miss him so much. God's promise of a time when there will be no more sadness, tears or death (Revelation 21:3-4) gives me hope. I look forward to seeing both my brother, and Sherrie, happy and healthy, and hope this promise also brings comfort to you during this difficult time.
