“ *Dear Tim, Joni & Family,*

*We are very saddened about the death of your Mom. We have lots of fond memories of your Mom going back many years when we first met your family at Karl Road Christian Church.*

*We wanted to attend the funeral today, but we learned from the funeral director that attendance would likely be limited to about 30 in order to accommodate distance seating related to the corona virus pandemic. So we concluded that we would have to miss the service due to the best practice health safety protocols going on at this time.*

*We send you our deepest sympathy, and we pray that God's grace and mercy will comfort you and sustain all of you through this difficult time of mourning and adjustment.*

*Grace & Peace,
