“ Shirley was the first person I met when I interviewed at Battelle, over 16 years ago. She was always friendly, helpful, and very caring. She always asked about my daughters, as she watched them grow over the years. She always badgered me for new photos of them to go up on the "AMA's Kids Corner" wall, which was an area that featured pictures of all the children of AMA staff. Shirley was the creator and caretaker of that space, ensuring that we were a family at work. She was a great lady. I'll never forget get her, and she will be missed.

“ Shirley was more than just a friend. A lady much loved. I can just see her warm smile and enveloping laugh of pure joy that she had not just for family but her friends as well. Can just see her watching us from heaven and rejoicing with Our Father... Shirley we loved you and Bob as a sister and brother...you were a chosen family that God blessed us with but thoughts will always be in our hearts....we pray to our Heavenly Father to comfort your family.
