She ran her father’s grocery store as a teenager and then supported her husband’s business by riding the kindergarten bus, managing the financial books, and attending to the everyday needs of the business. Shirley was an officer along with Noel of Whetstone Music Boosters and The Wally Byam Ohio Caravan Club. She and Noel were active members of Overbrook Presbyterian Church. Their travels took them to every state. To her the most important job was nurturing her family’s celebrations from Sunday dinners to all holidays. Her home was always open to family. More recently she spent her time working crossword puzzles, watching the wild birds and reading. All that

knew her loved her and will spread her love to future generations.

“ I remember one time at the Penney's store in Graceland, she, Mom, Suzanne, Danielle, Elisabeth and I were in there shopping. Danielle and Elisabeth started playing in the clothes racks, and a clerk came over and got angry with both of them and told them to stop. I thought my mother and Aunt Shirley were going to take out that woman right then and there for yelling at those little girls! She was quite the momma bear with her "babies" that was for sure! Oh, the memories we will all have!

“ *Wally,  
As i think of your mom (and I have often) I realize what a gentle woman a mother she seemed to be. Always very kind and sweet to me. I am reminded of what Paul wrote in 2 Corinthians 5:5-8  
5Therefore we are always confident and know that as long as we are at home in the body we are away from the Lord. 7For we live by faith, not by sight. 8We are confident, I say, and would prefer to be away from the body and at home with the Lord.  
God bless you and your family.*

“ I remember wanting a 'permanent' because everyone else got one. With my naturally VERY curly hair, I certainly didn't need one. But Aunt Shirley was glad to give me one with curlers and water instead of the permanent solution. I didn't know the difference and was happy with my new 'do'. She loved me a lot to do that for me. I've loved her too for lots of years and always will.
