“ *I met Shirley and John through the West High Alumni Association a number of years ago. I always enjoyed talking with both of them. I know of her recent health struggles. She is now back with John and in no pain. My condolences to her family.*

“ *Our condolences to the family. Aunt Shirley and Uncle Scott were always thoughtful to our family. Aunt Shirley was the last of the 4 Snow sisters (the pack is back together). She has received her reward from our Lord and Savior which is a new body with no more sickness or pain for eternity. That is a offer to all that accepts our Lord. Until our time please let our loved ones know that we miss them and we will be together again like you and uncle Scott are with no more separation. We love you Ken,Robbin and the girls.*
