“Aunt” Shirley, you've been a wonderful influence in my life. Nearly 50 years have passed, but yours and Uncle Russ' faces are just a couple from my early childhood that I recall like it was yesterday. I wish distance and life's hurries hadn't kept my family and I from visiting more often. Thank you for your love.

“ Thanks for the wonderful care and love you showed my son as his first home care-taker. He was always happy going to your home and reluctant to leave. I knew there was nothing to worry about in your care. I think his love for water first developed in your kiddie pool. All the kids were always happy with you. What a relief you provided a first-time mother who needed to return to work. Much appreciation to you and wishing comfort to your family and friends.

“ *My deepest condolences to Russ , Ron and your families. Much sympathy as well to Melody, Diane and Carol and your families. I want to thank you all, and Shirley in heaven too, for always making me feel such a welcomed part of your family. I have fond memories since childhood of events and gatherings shared with you all...and Shirley was always so happy to see me, wide open arms for a hug and the biggest smile! A truly encouraging woman, I know you are resting with your loved ones who've gone ahead Shirley, and you will always have a special place of memory in my heart. May the Holy Spirit minister all things necessary to this loving, caring family.*
