“ Peggy, Tehya and Cheyenne, and Shrissa's family,
There are no words that can comfort you now.
Just know you are all loved and many people are thinking and praying for you.
You may think there is no way you can handle this, but I pray that you know how much you are loved by God and he cares about you.
Only He can give you true comfort in this worst of times.

I may not have known Shrissa. But I do know the family. If you have shown her as much love as you have shown everyone else that knows the Morris family like I do. Then she was deeply loved and cared for more than she could ever have known. Keep praying Evelyn and stay strong my thoughts and prayers are with the whole family. Carolyn White Long
