

Stanley S. Flowers Sr.

August 3, 2009

FLOWERS Stanley S. Flowers Sr., passed away unexpectedly Monday, August 3, 2009. Stan had been retired from AT&T/Lucent Technologies after 35 years of service. He loved his wife, his family, his friends, fitness, his church work, and most of all his grandchildren. Stan had a great disposition, a reverence for life, and loved the joy he provided to others. He did not know a stranger, and at a moments notice, would generously lend a helping hand. He “cleaned up well” and knew how to wear a good tie. He was a true gentleman and his generosity and caring spirit will be missed by family and friends. He is survived by his wife Shirley Flowers; children, Stanley (Karla) Flowers II, Sharon (Robert) McKenzie, and Suzanne Flowers; grandchildren, Skyler, Alisha, Ashli, JT, Kasia, Aliyah, and Janaya; mother Pauline Greenwell; brother William (Josie) Flowers; sisters, Sylvia Moore (Dave Blough), and Marilyn (Darrell) Comer; a host of nieces, nephews, family and friends. He is preceded in death by his father William V Flowers. Friends may call from 4:00-8:00 p.m. Friday, August 7, 2009 at RUTHERFORD-CORBIN FUNERAL HOME, 515 High Street, Worthington, Ohio 43085. Mass of Christian Burial 10:00 a.m. Saturday, August 8, 2009 at St. Brendan the Navigator Church, 4475 Dublin Rd., Hilliard, OH 43026. Burial Resurrection Cemetery. Family requests in lieu of flowers, contributions may be made in his memory to The American Heart Association, Columbus Chapter, or St. Brendan the Navigator Church. Send condolences and to view online video, go to www.rutherfordfuneralhomes.com.

“ Shirley and family: I have experienced several sad days since hearing of Stan's passing. We had shared emails in February 2008 when Stan was his very special best when he wrote, "Give your Dad my best" following the passing of my Mother. His response also included the move to Dublin and a bit of bragging on the seven grandchildren; he was a proud Grandpa! The many comments and remembrances in this guest book stand testament to Stan: the man, the friend, the boss, the co-worker, and the family man. His flare for life was something special to behold and one to envy. May God's healing hands bring you peace in this time of sorrow.

“ We are sorry to have missed Stan's service. He truly was a gentleman who knew how to wear a tie! He was a "quality" guy. God bless your family. Stan will keep an eye on you from heaven and will always be in your heart.

“ I am sad to hear the news. Stan significantly contributed to the success of our Science Applications International Corporation (SAIC) Mentor-Protege Program! He worked diligently for more than 8 years to facilitate a successful working relationship between Prairie View A&M University and SAIC (both for the Mentor-Protege Program and other SAIC large contracts), as well as supporting various protege companies with ISO and CMMI training services. Stan was also a friend. He valued honesty, treating people right, and working as a team for the mutual benefit of all. Occasionally, he would email or call with news of his children and grandchildren--a proud Papa and Grandpa, indeed! I will pray for God's unfailing love to be your comfort in this time of deep pain and sadness.

“ I believe that God leaves people on this earth until they finish the job they were sent to do. Be comforted that Stan completed his mission and is now at home in peace with the Lord.

“ Stan (Buzz) is profoundly miss and remains with us in heart and spirit. "Only the dead can die, not the living. That which is alive in you is immortal. In reality there is only the source, dark in itself, making everything shine. Unperceived, it causes perception. Unfelt, it causes feeling. Unthinkable, it causes thought. Non-being, it gives birth to being. It is the immovable background of motion. Once you are there, you are at home everywhere." -Nisargadatta Mahraj

“ Stan was first my colleague in 1990. He then became my business adversary (for about 2 weeks). After the initial tempest, we became great friends. I consider him one of the best human beings I'll ever have the pleasure of knowing. My daughter (then 5) and I last met him in Cincinnati in June 2007 when I was in the US. My daughter became his instant friend. She called him "Uncle". He was touched. I'll miss him terribly.

“ My deepest sympathies and condolences to the Flowers family. I was very sorry to hear of Stan's passing. I pray that you find comfort during this difficult time and that God keep your family in His hands. Stan was mentor and teacher to me as I began my career at Lucent. His guidance was enlightening and inspirational. He was always approachable and would provide valuable direction regarding both professional and personal matters. Stan was a great man who will truly be missed!

“ although i had only known stan for a brief time(3 years), the impact of his friendship, knowledge and kindness will never be forgotten. our paths crossed for a reason and i believe he was suppose to lay the ground work for me...the ground work on how to be a better person. his teachings did not go unnoticed. i can only pray, i become half the person he was.

“ Shirley, I am so sorry to hear of your husbands passing. It was such a shock, since we just saw him a few weeks ago. I did not know him well but he always was very friendly. You were blessed to have such a great man as a husband. My thoughts and prayers go out to you and your family. I hope that in time the pain you have in your heart today will be replaced with great memories of times spent together. If you need anything at all please don't hesitate to call Joan Metze

“ Stan, I and we, will miss you so much. You had many,many friends and the many gym members are asking about you daily. I will never forget the good times and stories we shared with Phil, and others over the past three plus years. You brought a smile to everyones face and I have learned a valuable lesson from you on this trait. "If one doesn't remember Stan Flowers, you can be assured that they never met him"! Please be assured of my prayers for you and your family.
