At the same time we are very grateful that David was with him, reassuring everyone that he had accepted Christ into his heart. What a loving, merciful answered prayer! Our prayers will continue to be with all of the Sheridans.*

“ I am so sorry to hear about the passing of Steve. We both graduated from our respective high schools in 1969 (Whetstone - Brookhaven); we were both percussionists and took lessons at Van's music sales on North High St. He was a very fine and excellent musician. He was in the OSUMB longer than I & made a terrific squad leader. One summer on campus we had jobs in the electric depart. changing light bulbs! By the way, he was smart, too. If I recall I believe he was in Sigma Nu fraternity as well. Yes, a very fine person he was.
