“ *Marsha and Tony, Although I knew for some time how sick Steve was it was still sad news when I heard of his passing. I truly enjoyed the few years that I knew him at the club. To me he was a very kind, generous and fun man to be with, on the course or in the bar. I will miss him. And, I am very sorry for your loss. Unfortunately I am leaving in the morning so won't be able to offer my condolences in person but please know I am thinking of you.*
