“ I remember the fabulous trip we took on Route 66 back in 2000 with Sue and Dave. It was 2 weeks of great fun and fellowship with great friends and our Corvettes. We also spent a New Years celebration with Sue and Dave at our condo on Kiawah Island many years ago. They were great friends and members of the Glass City Corvette Club back then and we sure miss them. RIP Sue and Dave, we love and miss you. Tom & Suzanne Morgan, Toledo

“ I graduated with Sue from Libby but spent much beloved time with her, working part time after school and summers, then full time at National Bank of Toledo. What wonderful memories. Also double dated a lot with her and Dave. I'm sorry for the families loss. Sue (Beachy) Meyers

I, too, got to spend quality time with Sue working on projects at Grand Rapids Elementary school so saddened she's no longer with us. Know there is a beginning and an end time for all of us but getting to know Sue was such a pleasure and a learning time as we worked on crafts and basically making things happen. Our condolences and prayers go out to David, Pam and family.

“ Aunt Sue and Uncle Dave were a big part of our (myself, Mark and Jill) lives growing up. I think of Aunt Sue every Christmas when I hang the ornaments she made for us on the tree.

“ Sue and David were both wonderful people and great parents, grandparents and special friends. My husband John and I traveled a lot of places with them and I have some wonderful memories. We golfed together, played cards together and indulged in a couple glasses of wine together. The three of them resting now in peace and watching over the rest of us. Love and miss all of you every day.
