“ *So sorry to read of Susan's passing. I worked as an attorney at the Legislative Service Commission for a long time and dealt with her on many occasions. She was always kind to me, calm about her work, smart and, above all, reasonable. It was always a pleasure to meet with her. Condolences to her family.*

“ Pat, Kristy and family, Sue was so great to work for at OML, I have such fond memories and I wouldn't be where I am now without that experience. She loved what she did and she loved her family. I'm so sorry for your loss.

“ We could not have asked for a better next-door neighbor, or a more dedicated member of the Strathaven community. Clear headed, kind, and always willing to help a friend, Sue made time for everyone and everything. We hope you find comfort in our fond memory of our 25-year friendship with her and in the highly accomplished life she led. With sympathy, Jim and Gail Caldwell

“ Sue and I had such rewarding times when she represented municipalities and I represented counties in the Legislature. It was fun in those days and she made it even more fun as we accomplished some important things and learned to live with those we did not win.
