A beautiful tribute to a beautiful soul. Susan was a very favorite friend of mine during high school until the end. She was a screwball forever and I loved her that way. She and Larry were classmates of my husband and she and I were cheerleaders together. RIP Susie.

“ *Susie and Larry were dear friends of my deceased husband, JR Geissler and mine. John played football at MHS with Larry and of course Susie, being a cheerleader, she was admired for her friendliness and beauty by everyone. Her personality never wavered, to Susie everyone was a friend. When John and I moved to Findlay, Ohio we hooked up with Susie and Larry who were residing there and we became the closest of friends with them and their three beautiful little daughters. Susie and I worked together at Cooper Tire Company and shopped at our favorite dress shoppes during our lunch hour instead of eating lunch. And as life goes, we took different paths, but our experiences, our fondness and respect for each other was always there. Memories are forever. RIP dear Susie, you will be joining Larry and John to reminisce once again about your MHS roots. I miss you all...God Bless You Susie, Love, Jane Geissler Dzwonkowski*
