“ *What I will always remember about Sue is what a loving person she was. Yes, she loved her children dearly and her grandkids, but that love just flowed over to all those she met. Our family gatherings will not be the same without her hugs, smiles, and conversation. She will be dearly missed.*

May she rest in peace now. May Michelle and Craig be comforted now and always hang on to their wonderful memories.

Love & prayers, Sue Feasel

“ My family and I met Sue at the time when she kept up with all Landen's and Caleb's soccer practices and games. We quickly took to liking Sue simply because of her easy-going, friendly and likeable personality. I particularly remember when Daryl and Michelle were out of town hiking in Maine and she had to take care of the kids and make sure they made it to soccer on time.

Sue will be missed. The times together at soccer and in conversation though few, quickly convinced us of the genuine spirit she had.

Sue, you will forever be in our hearts. Thanks for sharing your “all” with us all and being a good example of how to live amongst people.

Rest in Peace!!!!
