“ *Dear John,*

When we remember Susan, we smile! We recall all the wonderful, fun times we shared with Susan and John. Our trips to the Smokey Mountains stand out as some of our most cherished memories. Susan was a renaissance woman and will be remembered by those who knew her as such.

“ John, both you and Susan have been such dear people to me. My heart breaks for you.

Family, Your mom (grandma) was the most special person. She spent the long election hours talking about each of you. You made her so very proud.

**Grieve not, nor speak of me with tears, but laugh and talk of me as if I were beside you. I loved you so—it was heaven here with you.
