I knew Susan when she was a young girl and I was doing occasional childcare for her parents. She was a very happy girl and I truly wish I had gotten to know her as an adult. I send my sincere condolences to her family and friends

I grew up just houses away from the Rockman family and have known her from when she was in grade school. Her brother Jim was a great friend of mine and I miss him daily. Susie always had happiness in her heart and was always a joy to be around. I often reflect back and recall her selling Submarine sandwiches door to door for one activity or another as she was always involved. My prayers go out to Susie's family and friends.

“ *Every time you smile at someone, it is an action of love, a gift to that person, a beautiful thing. ~Mother Teresa*

So many of these comments talk about your infectious smile, and your knack for making others smile. It truly was a gift; as was your friendship. You were a wonderful wife, and an amazing mom. Your legacy will live on through Aaron and Ashley as they each have a part of you in them. A-A-ron will play his little heart out in hockey, and every goal will be for you. Ashley will cheer like nobody else, and every time she is on top of a mount she will be that much closer to you in heaven. They always wanted to make you proud, and I know you always were. Not only did you nurture your kids to blossom into wonderful people, but you also played a role in making Cary the man he is today. You were lucky to have each other. Instead of mourning our loss, we will celebrate your life and remember that smile. We love you and will miss you,

“ Growing up with Sue in Warren and knowing her through high school, it is clear from the beautiful messages posted herethat she stayed true to being the wonderful, kind and generous soul to all whom she met. Gone too early, may she continue to live in all of our hearts. My Peace, Love, Prayers and Sympathies to the Mosher and Rockman families.

“ Susan was an amazing & beautiful person, inside & out. We met in Houston, TX and our friendship blossomed from there. She was more than my friend, we were chosen sisters as we used to say. She was there for so many of my firsts. From helping with decorating my 1st house, 1st trip to NASCAR, 1st child, & 1st trip to Chicago to name a few. I will cherish those memories forever. Our love, hugs, & prayers for peace go out to the Mosher & Rockman families. No words can express how much we will miss Susan. She will forever hold a special place in my heart. Susan, I look forward to hugging you again. XO

“ She was such a beautiful person both inside and out. A truly genuine and kind friend and neighbor who will leave a big hole in our neighborhood. Her smile was infectious and she always had a kind word for anyone. She went out of her way to make us feel so welcome when we moved here three years ago My heart is broken for Cary, Ashley and Aaron and the rest of the family. We will all miss you terribly, Susan - rest in peace

“ Susan could light up a room with her smile. She exuded warmth and happiness. Truly a beautiful person inside and outside. We know Susan and the Mosher family from hockey. Our boys playing hockey together with each other and sometimes against each other. Susan so outgoing and friendly, always ready with her warm hugs, fuzzy boots, big sweatshirts and huge smile. Ashley and Aaron, you were her world. Always so proud of her kids and doing everything she could to make you the best, most successful, well rounded individuals. Cary, our hearts are heavy for you. You two were a darling couple. We have many memories of our times together during hockey. You are deeply missed. Rest in peace, sweet Susan.

“ Heaven just gained a truly wonderful kind person. Her smile is creating rainbows. Sue was such a nice person to me. She made me laugh often. I have fond memories of her growing up in Warren Ohio. From raking leaves and backyard football to the fun in the sun on numerous trips to Florida. I will miss her and her kind heart. My prayers are with the Rockman and Mosher families during this difficult time.

“ *Your smile was infectious - you always seemed so happy! You were taken from this Earth entirely too soon! My girls truly loved you as a cheer coach. We enjoyed seeing you every summer at Zoombezi bay and catching up poolside. We just saw you in November at a Cheer Competition and you always were so happy to see us as we were to see you. You will be dearly missed!*

“ *The first time I met Susan, she was sitting on a bench at Cheer XTreme and she said hello in her sweet, southern accent. We quickly realized we had both just moved here from Texas and our girls became quick cheer buddies! She was my opposite but we balanced each other out very well. She taught me so much with her patience and understanding. What a wonderful wife, mother, coach, and friend she was. Many will miss her presence in their lives. Heaven is blessed to have her. Rest in peace sweet friend and love to the family.*
