

Susan Owen

October 27, 1953 - September 29, 2024

It is with sadness that we mark the passing of Susan Owen on September 29, 2024 after a sudden illness. Susan was born in Riverside, CA on Oct 27, 1953, the beloved daughter of Jackie and Bill Owen of Worthington, Ohio. She graduated from Princeton University with high honors in Religion before earning a Doctorate from the University of Virginia in religious studies, with a concentration in ethics. She was ordained to the ministry by the United Church of Christ and wore many hats through the years, including a parish minister, an adjunct assistant professor at Quinnipiac and Southern Connecticut State Universities, a health care ethicist with the Veteran's Administration National Center for Ethics in Health Care, and a lecturer on medical ethics at the Yale Divinity School. She worked with veterans and others who live with brain injuries and initiated and co-developed Hope House, a pilot transitional living facility for persons reintegrating into the community after suffering from traumatic brain injuries. As this array of commitments makes clear, Susan was a dynamic force with a strong sense of mission and vocation. She is survived by her daughter Jacqueline Outka (Abuzer Rafey); sister Ann North, and nephews David North (Lorin Wolf) and Mark North (Lindsay). She was predeceased by her brother David Owen and former husband, Gene Outka. Susan once said "When I counsel people focus a lot on the reassurance that one hopes certain things will be so-and on the fact that the hope can have its own reality". In that spirit, we as her family and friends hope for her peaceful rest and honor her memory. A graveside service

will be held on Thursday October 10, 2024 at 1:00pm at the Walnut Grove Cemetery in Worthington, Ohio with Rev. Tim Ahrens officiating. A public Memorial Celebration will be held at the Mount Carmel Congregational Church in Hamden, CT. Donations may be made to Smile Train, Kobacker House in Cols OH, and St. Jude Children's Research Hospital. For anyone who would like to send flowers, tulips and easter lilies were some of her favorites. RUTHERFORD-CORBIN FUNERAL HOME in charge of arrangements.

“ My husband and I were good friends with Susan. We enjoyed visits with her and always had wonderful, stimulating conversations. She had a wonderful mind. We were shocked to hear of her passing so suddenly. She helped us with groceries when we were both sick and we visited her often when she was recovering from surgery. We will miss her calm presence. My sympathies to her family and to all who loved her.

“ I live in the same neighborhood, and was a friend of Susan's. We talked with some regularity about everything -- career, family, politics. I was shocked by her sudden passing and will miss hearing her friendly and thoughtful voice.

“ As a neighbor of Suzie's parents in UA, we had great opportunities to get to know Suzie during her college/post-college years. She was always a delight to visit with—her good humor, keen intellect, and caring spirit. We were so sad to read of her passing and send our condolences to her sister Ann, daughter Julie and the rest of the family. With sympathy, Carol and Dick Meyer

“ I was heartbroken as was all of us at Second Church when her passing was announced Sunday. She was a very special person. She and I shared many conversations that allowed me to get to know her on somewhat a deeper level. She truly was a teacher and I learned an awful lot from her. I enjoyed the many stories and experiences she told as part of her sermons about her family, TBI patients and Veterans. Prayers of comfort to her family for your loss.

“ Susan was great at encouraging everyone in our congregation to extend themselves a little bit more than they thought they were capable of. She made sure to tie up all of the loose ends even after she left us. We are all shocked and saddened by her sudden passing and will cherish the memory of her time with us.
