“ *Susan was a wonderfully devoted grandmother, and volunteer. She brought sunshine to our kindergarten classroom every time she came. Ethan loved having her with us, as did all of the children. I was grateful to have known her and admire her sincere love for her family. She would have done anything humanly possible for any of them. It was my joy to watch that play out as she supported and loved her little Ethan. She was a gift to us all and her legacy will live on as an inspiration to love and give to others. With loving thoughts for a special family, Mrs. Frost (Ethan's kindergarten teacher)*

“ Dr. Shue and Family, I am so very, very sorry for the loss of your beautiful wife and mother Susan. I took a few day trips with Susan and I remember the fun, laughter and fellowship we enjoyed! We would start out in one direction and end up somewhere completely different! I still have a special momento she gave me on one of our trips. I will always remember her joyous spirt, pride and love for her family and especially her witness to me as a woman filled with God's Grace. I read this quote from Roy Lessin that I pray brings your faithful family comfort as you travel this journey of faith... "His resurrection is our victory song, our shout of joy, our daily praise, and our eternal hope. Because He lives we shall live also. He has guaranteed it." Our prayers and love are with you.

“ Please allow me to extend my deepest sympathy during this difficult time to your family. I know the pain of losing a someone close. The scriptures have really helped me and I wanted to share some with your family. Like, in knowing that Jehovah God loves us, he is near to those that are broken at heart and those that are crushed in spirit he saves - Psalms 34:18; Psalms 83:18. One day soon, "no resident will say: I am sick" - Isaiah 33:24. John 5:28,29 gives hope of a future resurrection and Revelation 21:3,4 speaks of a time when death, mourning, or pain will be no more. Jesus at John 11:11 said to his disciples, "Lazarus our friend has gone to rest, but I am journeying there to awaken him from sleep." We can have faith in these promises. I had also personally wondered why God has temporarily allowed the suffering and death that surrounds us. I found the answers in the bible. It can bring much comfort to know the answers. If you don't have a copy of the bible you can find an online bible and other comforting information at [www.jw.org](http://www.jw.org). Keeping you in my prayers. “ Many memories. Lots of laughter! We remember those visits to Ponderosa Steak House after church at Tri Lakes for 99cents. Then, we had get togethers in Albany with Susan's macaroni salad. Recently we connected again and had some fun adventures here in Columbus, Ohio. Our prayers to all of you.
