“ One of my earliest memories of my cousin Suzann was during a Sunday meal at her parents house. She wanted to share a new record she had purchased and we played it over and over, it was Del Shannon's, My Little Runaway. This very well could have been my first musical memory. One other fond memory was of Suzann and her Tennessee Walker horse which she had stabled at my fathers farm on Byers Rd. Many memories come to mind of her visits to the family farm, including Sunday dinners at my mothers house with Brian and Suzann present. Such a striking couple and so much fun to be around, there was an energy and Suzann's wry wit!

“ My sympathies to Suzann's family and friends. I worked for Suzann at Borden's many years ago and she was one of the nicest, kindest people and very helpful to me. In addition she was inspiring as a leader and as a person. I want her family to know how positively Suzann influenced others and she will not be forgotten.
