“ *So many memories of Terry from marching band. We had a wonderful time catching up a few years ago at a class reunion, marveling at how he had turned his life around- somewhat through band. Thinking of you Randy (Theater Arts class) and Tracy (I knew who you were due to your brothers). Special condolences to Mrs. LaTour - so hard to lose a child. May you find comfort and joy in your many memories of Terrell - he always made me laugh.*

“ *It was just one month ago that Terrell came over and talked to me about his diagnosis. My husband and I are his neighbor and we will miss him dearly! He was a great neighbor and so helpful around the neighborhood. Helping with anything anyone needed help with, especially yard work. He was always out doing something to make his and others yards look better. He loved riding his motorcycle. And we will miss seeing him as he often liked to take walks around the neighborhood. RIP Terrell!*

*With love,
Scott and Darla W.*

“ Terrell was a straight shooter. While being kind and choosing words carefully, he would tell you what you needed to hear, not just what you wanted to hear. You had to ask for it though. Most of the time, he kept raw opinions to himself, unless asked. I will miss our discussions.
