“ *Terry was not only our CPA but also advised John on a more personal level re business. Myself, Diane McGrew, found him to be the best CPA I've ever worked with (which have been quite a few). He had the ability to make one laugh even in the midst of his most stressful times (tax season). What a beautiful spirit. He will be so missed.*

“ *Uncle Terry,*

*It has been an honor to have you as my God Father. Although your are not physically here on earth with us any longer, I know peace is among you in the heavens above and all around us. Thank you for being one of the funniest uncles to have when I was growing up (well it's a tie b/t you and Uncle Dick). My heart along with Kate, Megan, John and Mom are saddened, but we will rejoice and CELEBRATE your life. We may even try to hit a golf ball just for you. If it goes in the swamp so be it :)
Now, go rest in Peace. God always has a plan.*
