“ *Dear Linda,*

*My condolences to you and your family. So many memories of that time when we were both raising families, working outside our homes, participating in church activities. Your mother was a delight.*

*Sincerely,  
Sandy Lantz*

“ *Thelma was one of my supervisors at DFAS when we were still in the building on 5th Avenue if my memory is correct. A sweet lady to know. I probably kidded her a time or two about our workflow, but we got along very well. May God comfort the family in this loss. She really lived a long, full life.*

“ Linda and Roger,  
Steve and I wish to send our condolences on the loss of your mom.  
She is such a big part of Maynard's history and will never be  
forgotten.

*"Blessed are those who mourn, for they will be comforted"*

*You are in our prayers.*

*Steve and Amy Radcliff*

“ I loved seeing Thelma every Sunday helping entertain Andy's kids  
with Cheerios. She always had a bag in her purse and I think they  
remembered she was always willing to share with them during  
service. It is one of the first things I remember when coming to  
Maynard. All I heard when I started counting offering and became  
Finance chair was loving stories of Thelma as Treasurer. She did  
not want to be Treasurer Emeritus when Andy became Treasurer,  
but he insisted and so she remained.

*Thank you, Thelma, for all your years serving at Maynard in God's  
name. You will be sorely missed.*

*Linda, thanks for bringing your mom in her later years so we could  
see her again and again. Seeing her always put a smile on my face.*

*Roger, I never met you but will lift you in prayer. I lost my mom at  
91, it's difficult to lose someone who has been so much a part of our  
history.*

*Prayers for your family and friends.*

*I will always remember Thelma and the beautiful smile she always had. She and Pastor Glen interviewed me for the secretary's job at Maynard many years ago and I was always grateful for this opportunity to know so many kind and wonderful friends. Prayers for her family. Kathy Evans*
