“ *I am so very sorry to hear of the passing of Thelma. My sincere condolences to the family. She was a lovely lady and unforgettable to me. After my mother's death and funeral in 1989, Thelma invited my husband, Dick and me to her house for dinner. Among other good things she served her famous corn casserole, which was so outstanding that I asked for the recipe. Once back home here in Santa Fe, I made the casserole for my friends who also raved over it, and I have now given the recipe to countless friends. It shows up at every potluck dinner, even in Hawaii. It's official name is Thelma's Corn Casserole. I know that she was a loving mom and grandmother and mother-in-law to my sister, as well as a great cook. I feel most privileged to have known her.*

“ I am so sorry to hear about your loss. Ms. Zimmerman lived a long life as the Bible says anyone who lives this long has special mightiness-Psalm 90:10. But God promises us in John 5:28,29 that we will enjoy seeing our loved ones again-"all those in the memorial tombs will hear his voice and come out." Also in Revelation 21:4 it says that he will "wipe ever tear out of their eyes and death will be no more." What a beautiful promise that we will not have to deal with the sting of death of our love ones old or young. But we will be able to welcome them back to a life as described in Psalms 37:10,11 where it says in a little while longer the wicked one will be no more but the righteous will reside on earth. I hope that you are able to read these scriptures in your copy of the Bible and that they bring you some comfort in this painful time

“ What an amazing woman and role model for all of us. I loved Thelma's gentle spirit, interest in the world around her and willingness to try new things - no matter what her age! She will be missed, but well remembered. Love Kay
