“ *To the Family of Theresa; I am sorry to hear of Terry's passing. We were friends and classmates at Ohio University. Please except my sincere condolences.*

“ *Such a sadness to learn of a special bright light that has gone out too quickly. My twin sister Patti and our family lived just a few doors down from Terry and her family in New Plymouth. We enjoyed many good times with her growing up. She was so special, along with her sister Marilyn and mother Evelyn. Our mother, a nurse at that time, loved them and the years we all had together. They were wonderful days. Mom passed in 2007 and I know she was happy to see Terry again. It is reassuring to know that in grieving times of mourning loved ones that sleep in Christ, peace comes to the hearts that knows they wake in His loving arms. Our prayers of strength and love go to her family in the days to come. Polli Pool Harmon, Lancaster, OH.*

“ We are so saddened to hear of Terry's death. We met Terry at Church of the Saviour at a very dark time in our lives, and she was a great source of inspiration and light for us. She will always have a special place in our hearts, and we know that we will see her again one day. May God's grace, peace, and strength hold you and keep you.

“ I was so saddened to hear of the death of Theresa this week. we had been friends for many years having lived in the same area and attending the same school. And of course, our love of music which we shared. Theresa was always so kind to me and I feel to everyone. I remember the last time we talked and how we shared all that was going on in our lives. I am so glad we had a chance to travel the road together and to share our love of music. Thinking of you at this time and sharing in your loss. Most sincerely, Paul Dunkle Circleville, Ohio
