“ *My deepest condolences to the Phillipson and Gorman families. I was so shocked to hear this news from my brother George. Terri was like a little sister to me in high school where we both played in the WHS band clarinet section. She was a great friend and wonderful person. Taken too soon. Cathy Z.*

“ Dear Phillipson Family what a shock to read about Terri in the paper. Although we had lost touch throught the years, I always thought of you guys when talking about childhood memories on the hilltop. Ketchup sandwiches playing red rover and just having good friends. She will be greatly missed and you have my deepest sympathy. God truly has an angel today Chris

“ My sincere condolences to all the Family of Terri. I graduated with her at Wintersville High School. We were never close personal friends but I knew enough of Terri to know how sweet and friendly she was to everyone. I can't remember a time when seeing her at school that she ever had anything but a smile on her face. Heaven has a new angel today.
