“ *I was surprised to see the passing of Tom. I was a student of his at CTI, the old columbus State during the 70's. He was a great person and good teacher who knew how to make learning fun. I will always remember a trip we took to visit the National Restaurant Show in Chicago. Mike Williams, AS, Food Services Management, Columbus Technical Institute, 1976.*

“ Tom was my instructor for a class at CTI in 1985. He made the material so interesting by relating to real-life situations in the food and beverage industry. My sincere sympathy to his family; you lost him much too soon.

“ As a student Columbus State in the early 70's I had the pleasure of Tom's instruction in several food service management classes. T.A. as we called him, was very close in age to many of his students and as such related to us on a very practical level. I lost contact over the years but remain grateful for the lessons learned from Tom at Columbus State. I regret that I am unable to express my sincere sympathy in person. Your family will be in my prayers. Warm regards, John Roach, Columbia MD

“ Dear Atkinson Family, I am so saddened to read of your loss of Tom so soon after the loss of Don. I knew Don as a member of the Muskingum County Genealogical Society. Don was a great guy and so proud of his family of whom he spoke of so often. Again, my condolences to all of you in your time of sorrow.
