“ *My wife and I were friends of Tom's and we are both shocked and saddened by his passing. We had good times together, including a trip to Europe where we spent a day in Amsterdam. Tom was very considerate of everyone on the trip and a joy to travel with.*

“ Although I hadn't kept in touch with Tom since high school, I was in many activities with him, including band. I have never forgotten him, he was such a gentle and caring individual. It makes me happy that he got to spend his life doing something he loved. Many prayers and blessings to his family and friends.

“ Tom was a friend and very thoughtful person. When I first arrived to Dayton from Georgia to work at Wright-Patterson AFB, I didn't know anyone nor did I have a place to stay. Tom, who's ad been in The Dayton area only for two months, volunteered to help me including gaving me a place to stay until I could get on my feet. I met his parents, they were also very kind to me. God be with his mom.
