“ Some people come into our lives and quickly go but there are a few special people who stay for a while, leave footprints on our hearts and we are never ever the same. Tommy, you are one of those rare individuals who left footprints on everyone's heart you touched and/or came in contact with. Please know you have a special place in all of our hearts. To Pat, Forest, Cheryl and Nevalee: May the memories of Tom and all he meant to each of you give you strength and courage and bring comfort, too. Please know the ones we love are never gone because they will always live within our hearts forever. With Deepest Sympathy Donnie
