“ *Reen, Mike, Tom and family: Tom brought such happiness to Aunt Jo. His stories and laughter filled a room. How wonderful that two families could come together because two people fell in love. Tom had a good long life yet that does not take away from the loss you all are feeling at this time. I hope the tears fade quickly and them good memories fill, in some part, the void. I send my condolences to each of you and due to my work schedule, am unable to delivery them in person. May our paths cross again in the future. With deep sympathy, Candy Cool*
