“ *Please pass the following message on to the late Tom Johnson's family: I was saddened to hear of Tom's passing. I grew up with Tom in Mead, Nebr & saw him last in high school. He played a mean guitar in my garage band; stole my girlfriend one summer while I was in Boston; and was a good friend. I will never forget how tickled he would get when we all played as children in the Nebr fields. R.I.P. When in LA look us up. Regards, Dan & Cynthia York*

“ Dear Johnson Family I am so sad to have received this news. It has been over 10 years since we were neighbors but it seems like yesterday. You were all such an important part of our lives. It meant so much to see such a loving family. I pray the love that you all have for one another and your faith will be of comfort in the days ahead. May God comfort and guide you. Love, Marylou

“ I am shocked and distressed. I did not know of Tom’s condition. Karen, Kristen, Kara, Kelly and Thomas, my family’s deepest thoughts and prayers are with you. I wish you solace in the love your father shared with you and the many others he touched in his life. What I remember most about Tom was how much he loved and cherished his Family. It was always about family with Tom. The most recent times I saw Tom, he was with his family. That includes our graduation party, the funeral of our friend, Jean Lentine, and at mass. I learned through Tom’s example to be a better father. He had such an amazing Fatherly and Family demeanor. Tom’s wonderful family also helped us through our children rearing years. Thank you so very much Tom. I know you are in Heaven with the Lord Jesus.
