“ Tom and I started at UAPD the same day, we rode to work together, shared many a funny story, and ultimately worked CPD Freeway Patrol together. In fact, Tom was instrumental in getting me the Freeway Patrol assignment. I can't begin to describe how much he meant to me and everyone that worked with him. He was the kind of man you wanted as a friend, co-worker, and protecting your back. I will miss him greatly and offer my help to Sharon, Shawn, and Trisha if they need ANYTHING during this trying time and into the future. Rest easy now my friend you will never be forgotten.
