“ *I just heard about Tom's passing and I wanted you to know how very sorry I am for your loss. I lived down the street from your family on Oakfair Ave. back in high school. We used to ride to school together sometimes. The main thing I remember about Tom is what a nice, cool guy he was. He was very easy to like! Your family is in my thoughts and prayers.*

“ I am very sorry to hear about the the loss of Tom. I lost my brother Tommy a while back and I know first hand how difficult it is to accept the loss of a loved one especially at such a young age. I often find solace in thinking that we will one day be together again.

“ I have known Tom for many years. Although we have not seen each other in person in quite a few years we have kept in contact via email. He was a very special part of my life and a dear friend. All who know Tom know him as a very caring, kind, funny, bright and loving man. Tom Sr., Betty, Melissa, Phil, Michael, Brad, Garret & Brooke - he spoke fondly & often of each of you and kept me up to date on your lives over the years. Tom loved each of you very much. I feel for your loss and wanted you each to know how very loved he was by many friends. I personally have many happy memories of Tom and my time with your family. Thomas will be sadly missed by myself and many others. My thoughts and prayers are with each of you. Love, Heather Laux Smith

“ First of I am sorry for your family's loss and he will be missed dearly. I met Thomas two years ago and he instantly became a part of my circle of friends and was with us every saturday and many other days beyond that. He was a truly wonderful, caring, genuine, honest, funny, and sincere man. He cared about all the women in our circle and we all had a great friendship with him. My life has been better knowing him and I will truly miss him. My saturday nights are definitely going to be alot different and not the same. He will always be in my heart and truly missed. It was an honor and privelege to know Thomas. To the family if you need anything don't hesitate to ask, this includes you Michael. You are a part of our family as well and are here for you. Thomas I love you and thank you for letting me be a part of your life. Sincerely, Kelli Johnston
