“ I just heard a song that reminded me of living at The Island Club apartments (off Bethel Rd) in 1989-1990 and I thought of Tom “Ponz”—he lived in the apartment above me on Bermuda Bay Dr. I barely knew him and actually only talked with him a handful of times, but what a super guy. I’m so sorry to all who knew and loved him.

“ Tom was an amazing person and a loyal and faithful friend. He truly loved everyone and always went out of his way to make everyone feel special. He devoted his life to serving his fellow man and pursuing greater good projects for the benefit of others, even when it wasn't popular. He believed in others, encouraged others and because of his life and efforts, many, many people realized dreams and visions that otherwise wouldn't be possible. The Foundation would not be what it is or where it is without you, and I will truly miss you my friend. All GeoSource Foundation projects will be dedicated to your legacy and memory. I love you Tom. “ My heartfelt sympathy and prayers are with all of you. Tom (he jokingly nicknamed himself Chachi some years ago when we met at the Wharf as he pitched a printing product to me) was truly a spirited beautiful soul with a wonderful sense of humor. Although I have never had the opportunity to meet his family, on numerous occasions he often spoke of his genuine admiration for his father. Chachi was a wonderful friend who shall truly be missed. I have been so blessed to have known him. My heartfelt sympathy and prayers are with all of you. Sincerely, Joanie
