“ *My sincerest condolences to the Schumacher family. Buckeye Tom was as solid of a man as it gets. I became friends with Tom many years ago because of our mutual love for college football. Tom would always give me the "business" because of my Michigan apparel worn at national hot rodding events. Tom was the kind of fan every college program would be proud of. He was a no nonsense, not in-your-face arrogant type, rather a thoughtful and respectful man that represented the Buckeyes and all of college athletics well. While in Louisville at the NSRA Nationals in August of 2006, Tom predicted that we would be Number 1 vs. 2 for the final game of the year. I never would have thought that was possible and then we lost 42-39 in the great shootout game. Today, I am a better person because of our friendship. My friends and staff have never seen me wear red and gray together, but tomorrow out of great respect for Tom, I will be..
