“ *Tom was a great friend to me when I started at Carrier in 1986 and even though it's been years since I've seen him, it isn't hard to remember the kind heart, warm smile and generous nature that he had for everyone he met. I'm so shocked and so very, very sorry for your loss. May Tom rest in peace. My prayers for all of you during this time.*

“ Dear Family, I am sorry to learn of the loss of your loved one. Our family recently lost a member and found that comforting words helped. We especially found great comfort in God's word the Bible. We wonder, why death? The Bible's answer at Romans 5:12 is that we inheirited it from Adam, our commom foreparent. Will we see them again? Isaiah 26:19 and John 5:28,29 says we will. Will death always be? Isaiah 25:8 and Revelation 21:3,4 says one day there will be no more death. May this sincere condolence help give your family a measure of comfort and hope during this distressing time.

“Katie and family, I am also one of Tommy's cousins from NY. I am so sorry for your loss. I did not know Tommy was sick until this week. I have fond memories when we were kids. All of us cousins have lost touch with each other through the years. I cannot believe I never saw Tommy at Carrier. I have been there 40 yrs. It's amazing our paths never crossed. My thoughts and prayers are with you and your family. May Tommy rest in peace....

“We all were so sorry to hear the news. Tom was such a nice & neat person and it has been our good fortune to have met Tom and spent some time with him. It is so hard to find people these days that you can say that about them, we here will miss him greatly. I hope his family is doing as well as can be expected. It is a tragedy to lose someone like Tom, but he is no longer in pain and we all are better people to have known him, my heart goes out to his family and friends.
