“ *Tom was one of the group of baby-boomer boys that lived and played and grew up in our neighborhood. I cannot recall any time when he was other than a pleasant, good companion and friend. When his heart became a serious health issue, we all held our young breaths when he went off to the Mayo Clinic for surgery. I will never forget the way he returned – dropped off at the end of the block and walking home with the whole neighborhood lining the street and cheering. He sure put that repair work to good service! The photo shows Tom with his characteristic smile, something that was a regular feature and something we all will miss.*

“ *I shall never forget the evening when Tom & Jennifer , then dating as I recall , came to our home for Dinner. My wife Carol busily preparing Dinner picked up our daughter Susan, then an infant now a Mom herself, turned & placed Susan in Tom's arms accompanied by a "Welcome to our home"!*

Words are the wonderful tools of communication, and, in the hands of those skilled in their usage, bring peace, comfort, & perspective even in a time as this. A friend of James Allen, author of "As A Man Thinketh" once wrote, "He overawed us all a little because of his appearance, his gentle conversation, and especially because he went out to commune with God on the hills before dawn." He wrote:

"Tempest -tossed souls, wherever you may be, under whatever conditions you may live, know this-in the ocean of life the isles of blessedness are smiling, and the sunny shore of your ideal awaits your coming....."

“ To The Williams' Family

I was stunned to see this pop up on FB today.

I haven't seen Tom in many years, but last ran into him at an OSU game. We did converse some on FB.

Many many memories of Tom growing up since the Williams lived just across the alley from my parents house. We had plenty of adventures, basketball games, wiffle ball, campouts in the yard, etc. etc. He was a definite part of my childhood and teenage years growing up in Grandview.

Very sorry to see his premature passing.

Deep condolences to the families and friends.

PS. I've got some digitized pics at home and will remember to post to his FB page.

Please accept my sympathy and prayers for peace at this difficult time. I remember Tom from First Grade on up. He was a good and thoughtful friend. It was wonderful to spend some time with him in 2016 for the Band Reunion and Alumni weekend and again for our GHHS Class of '68 Reunion. He and the planning team did a great job pulling us together and setting the stage for sharing memories and making some new ones. Everyone needs a Tom Williams in their lives to be the "glue" for friendships and relationships.

May God bless you and keep you, make His face to shine upon you, be gracious to you and give you peace.

“ *To all of the Williams family,*

Tom was a great friend to us for many years. We enjoyed lots of good meals, laughter, and fun times, the last of which was December 30, 2018 when he and Jennifer drove to Canton to have lunch and spend the day with some of their long-time friends. It was a wonderful day and one that will be cherished by all of us.

*Love,
