“ From Pat and Kathleen Elfrink in Texas, please accept our deepest condolences to my sister Marie and her children. My (Pat's) best memories of Tom go back to when he was still courting Marie and he was a frequent member of a rabbit or pheasant hunting group around Dublin when one could just walk out the back door of the house and look for game in the cow pastures. He was also a great fishing companion on trips to various streams and rivers in the area. Kathleen has great memories of several celebrations and parties at Tom and Marie's New Albany home in the early 80's when I was attending Ohio State Univ. We wish our very best to his family during this time of loss.

“ Marie and Family, I am so very sorry for your loss. Tom was a very special individual. He was instrumental in my career path. And, I will remember him always for the things that he accomplished. I still remember the first time that I met the family. It was 1975, and Tom was having a Ohio/State Michigan game party. Myself and a couple of people were on loan to the Columbus office assisting in a project, and we were invited to the festivities at his home in New Albany. Of course being from Pittsburgh, we could care less who won the game. After all, it was a party. Even today, I still don't miss that game if possible. So back then, he made a convert. I think of the times we spent together in the office and outside. Times I believe that were well spent. After moving to Florida in 85, we still stayed in contact over the years. And I still check in with Paul on Face-book occasionally. just to keep up. As I said before, he will be truly missed. not only by his family, but by all who knew him and considered him a friend.
