*"Farewell my dearly beloved father. May you find happiness in the next world." ~ Princess Snow-Flower*

*Father adored the fact I knew Japanese decently well and was studying it in detail. He was always so very proud of this to the point he would even tell any Japanese person he happened to meet.*

*I've been using the name "Yukihana-hime" because it's the sweet, affectionate nickname daddy had for me - "Princess Snow-Flower", in English. I've merely translated it to Japanese. When I would visit him at times, he would smile his kindhearted daddy smile and tell me how pretty I looked, even like an "empress".*

*Requiescat In Pace, my wonderful father. You are already missed deeply... ❤️*

“ Number 1 dad and my favorite man always. We love you and miss you. Love Kelly aka "The Pizza Queen" - nickname dad gave me because I love pizza.

“ *Kelly and Lee were some of the earliest and longest friends I've ever had. With the many fond memories I had with them there are also a lot of memories with Tom that will stick with me for the rest of my life. Respecting nature and history, the joy of creating things with almost nothing but my own hands and how to love everything you do. I vividly remember some very fun trips looking for arrowheads and just enjoying being outside which as a kid wasn't something that I got a lot of in Columbus. Rest in peace, you deserve it.
