“ *It was a pleasure working with Tim at Ohiohealth. We were sad to see him leave but excited for him to have the opportunity to mark some things off his bucket list. He was a very caring and compassionate person who always had a positive attitude. He loved his family very much and was always speaking highly of them all. Carol not many people get to experience the love like you two shared. Prayers to you and your family during this difficult time.*

“ *Dear Carolyn and Family,*

There are not enough words to express how deeply sorry I am for your loss. I loved Tim like a brother and had no idea he had ALS. I tried to contact him prior to our 50th reunion, and now understand why he did not respond. Tim was a great friend, and I will cherish his memory. Again, my prayers and thoughts are with you at this difficult time.

“ Dear Carolyn & McGrath Family,
Words right now are truly inadequate, but we want you to know how much we care, and that you are not grieving alone. Carolyn, everyone knows you meant the world to Tim and yes, you truly are his soulmate. It comforts us just knowing that he got to spend his life with you, and that you were with him all the way until he joined his loved ones in heaven. Yours was a true love story.
We have all great memories of being with the two of you, having known the both of you from youth into adulthood—although when with you we always acted like kids! You are in our thoughts and prayers, and we know your love for each other, for God and for family will carry all of you through the difficult days. Love, God’s blessings and Peace, Merrlyn & Michael Cahill

“ I had the pleasure of meeting Tim Mc Grath when he was a new student sat St Mike’s.
We hit it off because we were both 🍀
Tim was such a great friend. He was kind, friendly, witty and a great story teller!
My heart is broken for his family who he loved so much.
May Tim rest in the peace of our Lord, Jesus Christ. RIP Tim, you were one of the good guys in life! May the road ride to meet you Tim!
