“ Mary, we can look back when we moved down the street from you and Tim and you had been just a few months before us but both of you made feel welcomed the very first day. When the girls were small then, we can fondly look back at Tim having them help him in the back yard by raking leaves or planting flowers. Or always giving a piece of gum or candy for a "job well done". We will always see Tim loading the 'kids' into the van for the daily trip to the dog park or see him working in the yard.

Tim will certainly be missed by us and the entire neighborhood.

Mary, you are in our prayers and thoughts. We can certainly celebrate Tim's life and the impact he had on so many people.

“ I was fortunate enough to work with Tim at Ohio State University physicians billing office. He was a very kind man always helpful, and always had a smile. My favorite memory:

I was having a tough time after my divorce years ago and Tim convinced me one weekend to get out and bring my little pugs

Frankenstein and Cleopatra, to a dog park where he liked to take his beloved dogs all the time. That weekend Ohio pug rescue was

doing an event there, and I signed up to become a foster home for pugs in need. It is one of the most rewarding experiences in my life,

and it led to helping get forever homes for many sweet pugs, as well as adding a couple more furkids to my family.

I'm not sure if he ever knew how that one act of kindness impacted my life, but I will always be grateful to him. My deepest condolences to his wife and family, he deserved longer.

Mary, however heartfelt, my words seem inadequate for such an unexpected loss. Wishing you peace, prayers and blessings.
