“ I spent my first Mother's Day without you honey....the others all came by....Nicole, Kristi,Kayla, Amy and Dominic and Kathy...JR.showed up later, as he had been with Mary, Angel, Daniel,Christain and Julius, and now a precious little girl that they named Eden.....Nicole brought me a beautiful card with a picture from Kristi's baptism with the family including Becky, Me and Dad, Nicole,Amy, Kristi and Kayla..and guess what? The card played a song and guess what the song was...." Some Where Over The Rainbow " It was sung by a fellow from Hawaii and we were able to find it on the Youtube site and play the whole thing...You would really like this verison of the song....Love you and miss you honey...My heart just hurts so bad..

“ As you will see, this message is from Jack, who doesn't use a computer--"I can still hear Stanley and Timmy laughing and playing in our yard or basement. They had a wonderful time together. They were always having fun--good, clean fun. I'm so very sorry to hear Tim has left us. " Although I don't have nearly the memories of Stan and Tim that Jack does, I too am so sorry to learn of your loss. Your family is in our thoughts and prayers. When we first moved to S.Carolina a young girl died. At her funeral the priest noted that we are all put here to accomplish something and that she had been quick to get her assignment done and go home to the Lord. Tim's work is now done too and he's enjoying his reward. It's just hard for the rest of us to wait behind.--Ginni
