“ *Kay Lynn, I am still in shock from the tragic news about Todd. My heart is just breaking for you and your family. The time that has passed over the years has not lessened my thoughts of our friendship and the great times we had. Getting to know you and Todd back in high school was meant to be as your friendship with Sharon also blossomed out of that. I've been praying for you all and will continue to do so. I will be calling you soon. I know your life is upside down right now, but put your grief, worries, and needs in God's loving hands, and He will lift you up. Much love, Deidre*

“ Dear Pontius family, It is stunning to learn of Todd's sudden passing. I always enjoyed our shared stories of Circleville and our annual birthday greetings (we shared the same day). He maintained his passions for his family one of his priorities. He encouraged others to do so as well. Our thoughts and prayers are with you. Lee and Barb Huskey

“ Kaylynn, We are so very sorry to hear about Todd. You have been on my mind constantly ever since I heard. May you find peace and comfort in the strength of your family and friends. The Todd I remember was a very caring and sincere person. His clients were very blessed to have him take care of their business. Gene remembers him from a few times they attended some of the same insurance seminars, etc. Take Care and God be with all of you!!
Love, Trina
