“ Tom Moody will always be remembered by me as Mayor Moody. Mayor Moody was a great leader and an inspiration to me. His professional judgement in appointing his cabinet and thus his administration set the groundwork for putting Columbus on the map. I am humbled to have worked in the Development Dept. under his administration for 12 years. My thoughts and prayers and with Jean and his family. Gloria

“ Jean and Family, My deepest sympathy to you and your wonderful family. I only met Tom once, but I was a friend of his Mother....Evelyn. I served as her Royal Patron one year at Athena Court. She was ever so proud of her Tom and his family. I grew to love Evelyn and admire her humor and wisdom. I felt that I knew you from her conversations and admiration. May the precious memories of time gone by comfort you and your family. Blessing be with you.

“ Dear Jean, I admired Tom Moody. Some lawyers are loud, some prefer to work quietly. I prefer to take a more dignified route and part of the reason I was able to do so was because of watching Tom and others who could be effective in a quiet gentlemanly manner. I only met him once, with my father, who told me that Tom's word was his bond. I have experienced what you are going through and it is devastating at times. It gets better. When the time comes that you can say "I'm glad I knew him" without a tidal wave of emotion, you will be on the road to recovery. When I conjure a mental picture of you at domestic court, I see a woman of charm and intelligence - a fond memory. God Bless. Gale
