I knew Toni for years and so did my brother. She invited me to her sons wedding and I felt very special. I am in shock that she's gone. My prayers go out to her family.

*Known this Chickadee for about 45 years. Even though miles separated us often... nothing could ever end our friendship. We had some great times thru out this thing we call life. We have shared loads of laughter and occasionally we shared tears. We have talked on the phone for hours at a time... lol. Covering everything from Our Faith in GOD, to our children, grandchildren, politics and our other interests. She's a Special Soul... Always a Warrior for GOD. Toni I will miss you greatly.... I look closely at your picture with that onry smile and I know in my heart we will reconnect again girly Bask in GODS Glory.... you deserve.*
