“ *Tonnie was a one-of-a-kind guy, a sports enthusiast well known for his 200 pieces of freshly-ironed OSU Buckeye game-day apparel. His dry, snarky wit and peanut M&Ms will be particularly missed. He was a man of many talents, including a memorable run as “Dracula” in community theatre. He was also a man who could be compassionate, a counsellor to many, and the kind of man who would contact a cat rescue and ask for the most unadoptable cat they had, learn to give insulin to a diabetic cat, and take home a particularly growly cat with three legs. We will be reminded of him every time we hear smooth jazz or wear a necklace of buckeyes. Our hearts go out to the people who loved and miss him.*

“ I worked with Tonnie for a long time. Our cubes were close to each other. He was a big fan of the Buckeyes so we talked a lot about football. I liked his sense of humor. He always had chocolate candies with nuts in his cube which we all shared. I missed him when he left . May you Rest in Peace Tonnie. Maria Congbalay, MD

“ I met Tonnie at my first "real" job out of college at CCBT. He was always warm and kind, with a great sense of humor and a love for the Buckeyes that would not be denied. Meeting him again years later at OOD was such a gift, he brought much laughter and joy. He will be deeply missed.

Dracula...our first show in community theater. We were both newbies..welcomed into a community. A great memory...cast party at my house. Cleaning up... Tonnie sitting in the kitchen...us rehashing the show...just talking...as I was tidying. I can still feel that.

Thought about him today. He helped put me back together after a nasty divorce. We shared a love for theatre and the Buckeyes. Thank you for the wonderful memories, my first cat and threatening to "Kill the Wabbit". Sorry that I did not know about your passing sooner. Warm hugs!
