“ *To Tracy's Family,*

We are so very sorry for your loss.

It has been a couple of years since I talked to her, but she was the same sweet, kind and gentle girl I remembered from HS....Her friends and former classmates grieve with and for you.

“ I found out about Tracy's passing via Facebook. I hadn't spoken to Tracy in years. We had Quest class together at Worthington High School in 1986 and I remember she brought in a beautiful cat to class for a heartfelt project we had to do and that has always stuck with me over the years. She was a very sweet person and exuded kindness in class and as a classmate. My condolences to your family at this time and I will pray for you!
