“ I couldn't believe it when I heard. Fittingly, I was on the golf course. When I got confirmation I got mad. This wasn't right. If anyone deserved to live a long life it was you. Thanks Troy. Thanks for being a friend and a teacher and such a good man. Thanks for always being positive, whether it was at work or on the golf course or sitting around drinking beer with friends. Hit em long and straight Buddy, but then you always do. Gonna miss you.

“ *What a tragic loss. I have lost a dear friend. We bowled together for many years and shared some 300 games and lots of trophies and beers along the way. Rest in peace my friend. You may be gone but you'll never be forgotten. My thoughts and prayers are extended to his wonderful family.*

“ For the past dozen years or so Saturday golf with Troy and our group of friends has been a mainstay of summer. No one was more committed to playing than Troy. Rain or shine – light snow or hurricane force winds – would not deter him from playing, or from his enthusiasm to be on the course with friends. He was a joy to be around; always ready with a story, always laughing at jokes (even the ones he had heard before), and always encouraging to others. I will miss him dearly, but take solace in the memories of laughter and friendship we shared. Rest in peace, my friend.

“ I was shocked and saddened to hear of Troy's passing. We spent some years together at Huntington. I hadn't seen him in a while, but we'd often comment on each other's Facebook posts. I'm very sorry for your loss.

“ To Troy’s family, my deepest condolences. He was such a kind and considerate man.

*The last time I saw Troy in person was last month when offices had to be cleared out. He brought the security bin next to my desk so I wouldn’t have to make multiple trips to it, and when I was finished, he got my keys and started taking bags down to my car. I didn’t have to ask for help, he would have NEVER allowed me to carry them down without helping. I am glad now for working remote, it would be sad to sit across from his empty desk.*

*And what man drives 9 or 10 hours to find that stray dog on the golf course and bring it back to Ohio to give it a home? A man with a heart of gold.*

*He will be greatly missed.*

“ Our thoughts and Prayers for Troy's family. I enjoyed many years working with Troy, he was a good friend. He was stuck with me for many years as a golf partner and I will always remember his positive comments after several bad shots, most notably the statement "It opens up over there", even when you couldn't see where the ball landed.. I will also always remember the one vacation where he got home only to want another day off so he could drive back down to pick up a stray dog he'd made friends with on a golf course. I will remember many good times with him.

“ After working with Troy and getting to know him over a 25 year career together, my heart aches at the thought of his passing. I can't believe I won't get to talk with him again. I will definitely miss all his technical experience he brought to the team and the EDI expert that he was. He will be truly missed for the person he was. My thoughts and prayers are with his family and friends. Rest In Peace my friend, Troy.

“ There are no words to adequately express our deepest sympathy to Troy's family and friends during this very difficult time. We both worked at Huntington and knew Troy for many years. He always had a warm smile to share, a cheerful laugh and a twinkle in his eye. Troy was a kind and gentle soul. May he Rest In Peace and his family find comfort in God's love knowing they will be together again.

“ I was so shocked and saddened to hear of Troy's passing. As a Huntington co-worker who knew Troy the last 8 years before my retirement; I called him a friend. People always say nice things when you pass but this was a man who truly was a nice man. Always a kind word, always a kind smile, loved the Bank, loved his job, and loved his family. Truly too young and a great loss. My prayers to all of his family and special prayers to Pat as the loss of a child is no greater. Troy, you will be sorely missed.

“ *Tough night golfing tonight without you there. Bobby bought Pizza as a tribute to you as our last night tradition is normally at the end of the year. To say you will be missed by many is such a huge understatement Troy. Our Saturday golf group is like a band of brothers and we have lost a brother! We will grieve and play on as we all know that is what you would want. We will take care of Justin as we have over the years since you introduced him to us long ago. Hit it long and straight up there Bro we'll play again some day.*
