“Trang, I'm so sorry for your loss. I know that your dad meant so much to you. The wonderful memories that you created with him over the past couple of years while you cared for his every need are invaluable. He could rely on you to make sure he had all the information he needed for the day and for his health. You were a wonderful, attentive and loving daughter. Nothing can be more special in a father/daughter relationship and those memories can never be erased. I pray for you and your family to remember the good times, laugh often about them and live peacefully always.
Love, Felisha
