“ *So shocked and saddened to learn today of Ursula's passing. What a light she was to everyone she met! Some people shine so brightly they defy time and space; Ursula was one of those rare people, and she shines on in us. My goal will be to honor her memory by passing on some of the light she so willingly gave.*

*May God bless and keep you close until you are together again.*

“ Ursula and I worked closely together these last 3 years as part of the Leadership Edge Columbus team. She was absolutely amazing and always had everyone's best interest in mind. She had so much faith in me and what I could do and would always praise and recognize me while never taking credit for herself. I will miss her beautiful smile and laugh but will remember her in my heart forever. My thoughts and prayers are with all of her loved ones.. God Bless-

“ Our hearts were so saddened to hear about Ursula's death. Those of us who were privileged to know her (and spend any time at all with her) were so very blessed by her smile, her positive attitude, her beauty (inside and out), and her love of family and life. Ursula touched each of us, and became part of our "Morehouse Family". Please know our thoughts and prayers are with all of you as you cope with such a great loss. Thank you for sharing her with us. It was our pleasure and privilege to assist in her care. May God comfort you, as only HE can, and may you feel the many prayers being lifted on your behalf.
