“ *My Great Aunt Vera was so nice and genuine! She would always make me smile and feel better whenever I saw her at family gatherings at her and my Great Uncle Freds house when they had Fourth of July cookouts. She will be missed! May she rest in peace.*

“ When prompted in my writing group to write about a friend,I wrote about Vera. She and I met as First Grade teachers at Westgate Elementary School in1969. We have remained friends for 50 years,through happy and sad times.
Vera never asked “What can I do?” She just did . I wrote about the beautiful flowers she brought to me after I had surgery and the food she gave to my family on our last day in our home of 38 years. My writing told how I admired her calm, kind ,friendly personality. My family,Donna ,Darlyne and I will remember her with love.
